

CALLING ALL ESSEX FARMERS

'ESSEX SCHOOLS FOOD AND FARMING DAY'

Thursday 27th May 2010

We are delighted to announce that, due to the success of the 2009 'Essex Schools Food and Farming Day', we will be staging the event again on Thursday 27th May 2010. This interactive educational event, organised by Essex Agricultural Society, in partnership with Writtle College and Essex County Council, attracts 3,000 primary school pupils and their teachers from all over Essex.

The fun and informative event, held at Writtle College, enables pupils to connect with how their food is produced and gives them an understanding of farming and its relationship with the management of the countryside. **We are now recruiting volunteers from the farming community to help steward groups of school pupils and their teachers around the event Don't worry.... You will not be responsible for supervising the children.**

If you are interested in helping us or would like to know more please contact Heather Tarrant at heather.tarrant@writtle.ac.uk or on 01245 424113.

More details on the event can be found at www.cera.org.uk
